Mission

MBO Partners exists to make it easier for self-employed professionals and their clients to work together. More and more people are seeking the freedom to be their own bosses and build their careers independently; we help them do that. MBO is a trusted guide for independent workers and the companies that hire them, leveraging our experience and our passion as the country moves toward the future of work.

Fast facts

- CEO: Gene Zaino. Meet the rest of the leadership team [here](#).
- Founded in 1996
